

February 2010

**The Wilmore Lions Club Lends a Helping Hand
to Linda Chung and her Guide Dog**

It was Helen Keller who originally challenged the Lions Clubs of America into helping the visually impaired as one of their long-term projects. Thence most Lions Clubs make efforts to collect used eyeglasses or try to raise money involving vision for those in need.

At the January meeting for the Wilmore Lions Club, Linda Chung was presented a check from the Lions to help her with a vet bill concerning her seeing - eye dog.

Linda is a native of La Cañada, California. She earned a Bachelor's from Westmont College in Santa Barbara. In her senior year at Westmont she came to Asbury College as a visiting student. She then traveled to Western Michigan University in Kalamazoo to complete her Masters in Vision Rehabilitation Therapy. She has also lived and worked on the east coast in Burlington, Vermont. She now considers Wilmore her home. She continues to use the resources at the Kinlaw Library. The library is sufficient in providing assistive technology for her and others who are visually impaired to do their studies and research.

Community Service Center Welcomes New Board Members

New members added to the Board of the Community Service Center of Wilmore-High Bridge at the November 16 meeting are: Jenny Case, Craig Gillispie, Diana Kriesch, Rich Kriesch, Brad Lewallen, Sharon Moore, Mike Johnson, Megan Snapp, Jeremiah Snapp and Marna Wiggam. The Board welcomes their new ideas and looks toward a bright future through their service.

Officers for 2010 are Tom Harper, President; Debbie Hager, Vice-President; Celeste Shawler, Secretary; Pat Richmond, Treasurer.

Community Service Center of Wilmore High – Bridge Couples Volunteer

Five local couples enjoy volunteering together at the Community Service Center of Wilmore-High Bridge. Tom Harper is currently Chairman of the Board, and his wife Jan is a former Chair. Tom is active in ongoing planning for the Center, and together they are heavily involved in fund-raising activities. As retired Asbury College faculty members, they are known for their organizational and leadership skills.

Debbie and Ray Harper, married 34 years, are essential to the smooth operation of the thrift store, Attic Treasures. Debbie is cashier, and Ray is always available to move donations to the sorting room. Debbie grew up a Wilmore girl; Ray retired from the Nicholasville Police Department, has also been a farmer and a school bus driver. Debbie is in her eleventh year as a media clerk at Wilmore Elementary School; she serves as Vice-President of the Center Board for 2010.

Members of the Board, Diana and Rich Kriesch recently retired after 10 years of pastoring the Community Missionary Church. After 42 years of marriage and 5 grown children, Diana is well qualified for her past

work as a teaching assistant at Wilmore Elementary School, where she had an extra portion of love and care for her children. Diana and Rich are enthusiastic workers in fund-raising events. Says Diana, "We just like helping people."

Bev and George Wagner deliver meals on Saturdays and have also transported larger loads of goods for the Center since coming to the Wilmore area in 2001. They fill in as needed, including Bev's work at Attic Treasures and on the Board. Bev is school nurse at the Jessamine Early Learning Village, 5 hours a day, 5 days a week, funded by the Family Resource Center. George teaches graduate students and does research at the UK College of Agriculture. His climate change courses are always full. Bev enjoys going along when George has professional duties overseas.

Megan and Jeremiah Snapp are the newest Board members. From Louisville originally, they came to Wilmore 3 years ago after Jeremiah received the MDiv degree at Gordon-Conwell Seminary in Boston. Jeremiah is Network Administrator and Megan works in the registrar's office at Asbury Theological Seminary. They deliver meals for the Center and love being parents to Nathan, 5 months.

These 5 couples who represent a cross-section of area life bring needed experience and expertise to strengthen the work of the Center.

Donations to the Center

Remember our local needs when you think of donating. Donations may be made to the Community Service Center of Wilmore-High Bridge, your local non-profit service organization. Even a small monthly donation would be greatly beneficial to the Center as it tries to meet the huge needs in our community. All gifts of money are tax deductible, as are donations of goods to the thrift store, Attic Treasures. Donations may be made during posted open hours or send checks directly to: Community Service Center PO Box 52 ~ Wilmore, Kentucky 40390

Press Release

Chief Stephen R. Boven
Wilmore Police Department
January 28, 2010

**Wilmore Police Seeks Your Help
Rash of Car Break-ins**

Over the last several months we have had a significant increase in car break-ins. The break-ins seem to be happening in every sector of the city. At this point, we do not know who is doing them.

Several months ago we arrested three persons for breaking into cars and recovered a large amount of stolen property. The culprits, however, did not break into cars in Wilmore, only out in the county and in Woodford County.

We solicit your help

Please keep all valuables out of your vehicles. If your radio/CD players can be removed each night, please remove them. Never leave your keys in the vehicle and always keep your doors locked. Leave lights on or have a motion sensor installed on your outside lights.

If you see something unusual, please call 911 immediately. Do not wait until the next day to tell us. We advise that you do not attempt to apprehend the suspects yourself.

Congratulations to Officer Jeff Bol upon receiving the Governor's DUI Impaired Driver's Award. Officer Bol has received this award for the past 4 years.

Officer Jeff Bol was presented the award from Lieutenant Governor Daniel Mongiardo, M.D.

Cre8tive Group Hosted 4th Annual Event in January

In January over seventy-five leaders from the Central Kentucky region gathered at Lexington's Saint Claire Recording Company to listen to Peter J. Lehman, Academy Award-winning sound editor, composer, and mixer.

Lehman has worked on more than 60 feature films, including Jerry McGuire and Braveheart (for which he received the Oscar for Best Sound Effects Editing), theme park rides such as The Simpsons, Revenge of the Mummy, and Men in Black, and popular EA Sports video games, including the Madden NFL Football, NASCAR, and NCAA video games.

Cre8tive Group, the marketing and communications firm in Wilmore, has continued their sponsorship of this fourth annual event to bring together Central Kentucky "influencers," decision-makers in the Bluegrass in business and industry, education and government, the arts and the non-profit sector. The impetus for the event was to create an occasion for individuals who are shaping the destiny of the greater community to interact socially, and an opportunity to learn from the creative work of an artist who's inspiring our generation. Cre8tive Group's President, Chad Crouch, said, "Pete's presentation was a perfect blend of inspiration and insight. He started by showing us clips from his films Braveheart and We Were Soldiers. He then took time to help us understand how he creates the sounds that heighten the action and emotion of any media experience."

Brent Seales, director of the University of Kentucky's Center for Visualization and Virtual Environments said that, "His demonstration of how everyday items like a tube sock filled with corn starch, a breast pump, or a kitchen knife spinning on a counter top - they can all be used to create amazing sound effects for film. That really caught my imagination."

Peter Lehman described how flexibility has been key in his success. "My background in music, audio recording, film production and sound effects has been key to my personal success. A lot of other guys get pigeonholed into doing one thing. I really love keeping my options open, taking on a variety of projects."

Crouch noted that, "The evening was a real success for Cre8tive Group. We are so thankful to Saint Claire Recording Company for their willingness to open their space for our event. We could not have found a better venue to showcase both Peter's talent and Saint Claire's amazing facility. I think the synergy between our companies was a real benefit to our guests."

The evening began with a cocktail hour, which allowed guests time to meet new friends, discuss their own work, and share life with each other. The presentation led attendees to a new level of understanding and appreciation of the role of sound and music in all of our lives. Most importantly, Peter gave a unique "behind the scenes" look at how film, theme rides, and video games all use sound to transport the audience into the heart of any experience.

Cre8tive Group believes that, we don't 'think' inspired, we feel inspired. That's why we bring in talented artists who demonstrate how they inspire their audiences. Lauren Marshall, Project Manager for Cre8tive Group added, "Based on the feedback we have received from our guests, we definitely hit the mark."

To learn more about the event and see photos of the evening, visit Cre8tiveGroup.com/Belnspiring. To take a virtual tour of Saint Claire Recording Company studios, please visit Saint-Claire.com.

Wilmore Senior Community Center February Events

In addition to dining and library services, plus classes in exercise, Wii bowling, arts & crafts, creative writing, and more, area seniors are invited to the following special events...

Most events unless otherwise noted are free and open to the public.*

Winter Driving Tips

If you must be on the road, use the **Four P's of Safe Winter Driving.**

- 1) **Prepare your vehicle**
 - a) Check tire air pressure.
 - b) Check fluid levels and heat.
 - c) Check gas tank.
 - d) Assemble a disaster supply kit. Include a first-aid kit, shovel, ice scraper, flashlight and batteries, sand or cat litter, blankets, candles and matches, water, snacks and cell phone.
- 2) **Plan your travel**
 - a) Check weather and road conditions.
 - b) Call **511** in Kentucky or 1-866-737-3767 out-of-state.
- 3) **Prevent crashes**
 - a) Prevent crashes
 - b) Leave a "space cushion."
 - c) Be seen, use low-beam headlights on cloudy days.
 - d) Steer into the skid.
- 4) **Protect yourself in an emergency**
 - a) If you are involved in a crash: If no one is visibly injured, move your vehicle to the shoulder
Call police.
Exchange information.

The most heavily traveled roadways in Kentucky are the first priorities during snow removal. For a snow removal priority map visit the Transportation Cabinet's website at:
http://transportation.ky.gov/Maintenance/Snow_Ice.htm

Wilmore Campmeeting, 2010 June 20-25

Mark your calendar for the one hundred twentieth annual spiritual life campmeeting to be held on the historic Holiness campground in Wilmore.

This year's evangelist will be Dr. Bill Ury. Dr. Ury is no stranger to Wilmore, having graduated from both Asbury College and Asbury Seminary. Since 1979 Bill has served as an evangelist, conference speaker and lecturer across the United States. Dr. Ury has taught at Wesley Biblical Seminary for the past twenty years. He is in constant demand as a campmeeting speaker.

The Bible teacher for this year's campmeeting will be Dr. Victor Hamilton of Wilmore. Dr. Hamilton was a professor of Old Testament at Asbury College for thirty-six years. Since retirement he has been involved in researching and writing a commentary on the Book of Exodus.

The music will be led by Brian Lunetta, director of music at the Wilmore United Methodist Church. He comes to the camp with the ability to blend contemporary music with traditional hymns. Special music will be provided by local churches and community musical artists.

Outstanding youth and children's programs are being planned. Mark and Kathy Davila will again lead the children's program and Johnny Strange will return for his third year as youth director.

Please visit www.wilmorecampmeeting.org for full details of all campmeeting activities.

Classical guitarist Jankovic to perform at Asbury College

International award-winning classical guitarist Petar Jankovic will perform on Friday, 26 February 2010, in Hughes Auditorium at Asbury College beginning at 7:30 p.m. The concert, sponsored by the Asbury College Artist Series, is open to the public and is free of charge. Currently Jankovic is a member of Indiana University Jacobs School of Music's esteemed faculty. To learn more about Petar Jankovic please visit his site at: www.petarjankovic.net ; and to listen to examples of his playing, you may visit: <http://www.petarjankovic.net/id7.html>

**2010 Census to Begin
WARNING: 2010 Census Cautions From the
Better Business Bureau Be Cautious About Giving
Info To Census Workers
By: Susan Johnson**

With the U.S. Census process beginning, the Better Business Bureau (BBB) advises people to be cooperative, but cautious, so as not to become a victim of fraud or identity theft. The first phase of the 2010 U.S. Census is under way, as workers have begun verifying the addresses of households across the country. Eventually, more than 140,000 U.S. Census workers will count every person in the United States and will gather information about every person living at each address including name, age, gender, race, and other relevant data.

The big question is - how do you tell the difference between a U.S. Census worker and a con artist? BBB offers the following advice:

** If a U.S. Census worker knocks on your door, they will have a badge, a handheld device, a Census Bureau canvas bag, and a confidentiality notice. Ask to see their identification and their badge before answering their questions. However, you should never invite anyone you don't know into your home.

** Census workers are currently only knocking on doors to verify address information.

Do not give your Social Security number, credit card or banking information to anyone, even if they claim they need it for the U.S. Census. **REMEMBER, NO MATTER WHAT THEY ASK, YOU REALLY ONLY NEED TO TELL THEM HOW MANY PEOPLE LIVE AT YOUR ADDRESS.**

While the Census Bureau might ask for basic financial information, such as a salary range,

YOU DON'T HAVE TO ANSWER ANYTHING AT ALL ABOUT YOUR FINANCIAL SITUATION.

The Census Bureau will not ask for Social Security, bank account, or credit card numbers, nor will employees solicit donations. Any one asking for that information is NOT with the Census Bureau.

AND REMEMBER, THE CENSUS BUREAU HAS DECIDED NOT TO WORK WITH ACORN ON GATHERING THIS INFORMATION.. No Acorn worker should approach you saying he/she is with the Census Bureau. Eventually, Census workers may contact you by telephone, mail, or in person at home. However, the Census Bureau will not contact you by Email, so be on the lookout for Email scams impersonating the Census. Never click on a link or open any attachments in an Email that are supposedly from the U.S. Census Bureau.

PLEASE SHARE THIS INFO WITH FAMILY AND FRIENDS.

BEJA Environmental, Inc.

The black discoloration you see on your aluminum or shingle roof isn't dirt at all and does not signal time for a new roof! A hardy type of blue-green algae causes roof stains. These algae will shave years off the life of your shingles. BEJA Environmental, Inc. can safely and effectively kill, remove and clean your rooftop with low-pressure power washing.

Low Pressure Power Washing is safe and effective for roof cleaning, decks, vinyl siding and most types of "sensitive" exterior areas where normal pressure washing scars, cuts and damages.

Perfect for spring clean up and spring selling season! Whether you take pride in your home, getting ready to paint, or are preparing to sell your home, give BEJA Environmental a call at 881-8435.

BEJA can custom clean your home's exterior today from rooftops, siding, decks to concrete flat surfaces! BEJA – your property washing, maintenance and remodeling Service Company.

Call Byron Skaggs at BEJA Environmental, Inc at 859-881-8435 today and schedule a **FREE** onsite estimate for your home or investment.
