June, 2010

LT. "Doc" H. Tom Cusick was ecstatically welcomed home on Saturday, May 26 after his 7-month deployment in Okinawa Japan. His beautiful family: Celesta- wife, Kaila- oldest daughter, and Emma- youngest daughter; as well as the entire Wier family, praised our gracious God for bringing Tom back safe again. He is currently serving in the U.S. Navy on the Marine Corps Base in Kaneohe, Hawaii. He has served five years and is stationed one more year as a flight surgeon. He was a graduate of Asbury College in the Redeemed Class of 2001 with Bachelors in Biochemistry; then graduated in 2005 from the University of Kentucky College of Medicine.

Kentucky River Sweep Seeks Jessamine County “Volunteers”

On Saturday, June 19, Kentucky River Sweep volunteers will give Jessamine County's Kentucky River banks a much needed clean-up, according to Director of Environmental Services Mike Cassidy. The Kentucky River Sweep is a statewide program that is especially important in Jessamine County, where there are more miles of Kentucky River banks than in any other county, Cassidy explained. “Because we had so much rain just before last year's River Sweep, last year's clean-up was limited,” he added. “That makes this year's clean up even more important.”

This year, Cassidy and other representatives of Jessamine County Fiscal Court (organizers of Jessamine County's portion of the Kentucky River Sweep event) will focus their clean-up efforts on the river banks in the High Bridge area, between Lock 7 and Lock 8.

“Members of the High Bridge Homecoming committee approached Jessamine County's Kentucky River Sweep committee and expressed an interest in hosting the clean-up in that area,” Cassidy said. (High Bridge Homecoming is an annual event held in August at High Bridge Park, located on the banks of the Kentucky River.) Members of the High Bridge Homecoming Committee will serve lunch during the event; they will also help recruit others to participate in the clean-up.

In addition to Jessamine County Fiscal Court and the High Bridge Homecoming committee, the City of Nicholasville and representatives of the Jessamine County Fire District will support the clean-up efforts. The City of Nicholasville and local businessman Clay Corman of Clay Corman Excavating will each donate the use of a boat during the clean-up.

Other organizations and individuals are encouraged to volunteer by calling Richie Horn of Jessamine County Environmental Services at (859) 881-4545.

Ichthus 2010 - Help Us

Hi, from Ichthus Festival Ground Zero!! As you know, the festival is quickly approaching! The whole staff is super excited about the amazing artist/speaker line up and the opportunity for life transformation for many! This year's theme, BeCause supports the serving and volunteering that is so highly needed for this festival! BEing the CAUSE means we commit to putting ACTION to our words by serving others. Will you please pray with us and consider accepting a role as an Ichthus Festival volunteer this year! The Festival is highly dependent upon volunteers! Operating a venue with nearly 20,000 patrons takes a TON of VOLUNTEERS. We do not want just ANY volunteers. We want those who LOVE Him and will commit to serving people at Ichthus so that He can be glorified through ministry! We are saddened when we find volunteers who are only serving so they can receive a discounted ticket and couldn't care less about the ministry. True service is sacrificial in nature and seeks nothing in return. This is what we hope all festival patrons will grasp at BeCause 2010 Ichthus Festival. We are in desperate need for workers and volunteers. Please consider serving at Ichthus to help us minister to God's people.

Will you help? Will you give 9 hours of your time to serve WITH US in ministry, or are you interested in giving 24+ hours? If so, here's our plan: We have volunteer opportunities called "ICHTHUS WORKER" & "FESTIVAL ASSISTANT."

An ICHTHUS WORKER works one 9-hour shift and receives a highly discounted or FREE full event wristband to attend the entire festival! (price of wristband depends on the shift and the areas available). An ICHTHUS WORKER must be at least 15 years of age!

A FESTIVAL ASSISTANT volunteers 24 or more hours during the festival and must be at least 18 years old! FESTIVAL ASSISTANTS (FAs) are the hands and feet of our ministry!! They support our core FESTIVAL COMMITTEE members! FESTIVAL ASSISTANTS receive two FREE full event wristbands and 6 meal tickets and a C pass! If you want more information, just reply online and we will get you the info you need.

Hopefully we'll be seeing you at the festival!!!

Wesley Village Breaks New Ground for Kentucky!

Wesley Village adds to its growing list of "firsts for Kentucky" with the start of construction on a new "small home for memory care" especially designed for those with Alzheimer's disease. Studies repeatedly show that persons with memory concerns do much better when living in familiar surroundings of a beautifully furnished home with living room, kitchen, dining room, private bedrooms, private baths and free access to protected outdoor gardens and walkways. Total cost of the project will be \$1.7 million. The Village already has raised more than \$1 million in donations and pledges.

The concept was first pioneered in 2003 under the name "Green Houses" at a United Methodist retirement community in Tupelo, MS. Dr. Bill Thomas, a well-known geriatrician and nursing home reformer, is credited with the original design. More than 200 small homes are now operating or are about to open in 26 states. No more than 10 seniors live in each home. Two certified nursing assistants are always on duty to help with activities of daily living. The services of licensed nurses are also available around the clock. The cost is no greater than fees charged in larger nursing homes.

President/CEO of Wesley Village, Glenda Creech, says that small homes are designed to provide all the functions of a traditional nursing home without the institutional look and feel of a traditional nursing home. "Allowing residents basic choices such as when to get up, what to eat and what to do during the day is key – just as it is in your own home." Such choices are often very limited in traditional nursing home settings.

Plans at the Village call for six more small homes to be built in coming years to serve a wide variety of long term-health care needs. Creech concludes by saying that small homes are definitely the wave of the future. "Those long-term providers who do not keep up with what's best for residents will fall by the wayside." With Kentucky's first small home for long-term health and memory care, Wesley Village is clearly planning to stay one step ahead!

Wilmore Campmeeting, 2010

June 20-25

Mark your calendar for the one hundred and twentieth Holiness Campmeeting to be held on the campground in Wilmore. The following are this year's speakers and workers who will minister throughout the week.

Evangelist – Dr. Bill Ury is no stranger to Wilmore, having graduated from both Asbury College and Asbury Seminary. Since 1979, Bill has served as an evangelist, conference speaker and lecturer across the United States. Dr. Ury has taught at Wesley Biblical Seminary for the past twelve years. He is in constant demand as a Campmeeting speaker.

Bible Teacher – Dr. Victor Hamilton was a professor of Old Testament at Asbury College for thirty-six years. Since retirement he has been involved in researching and writing a commentary on the Book of Exodus.

Youth Director – Johnny Strange, Youth Director at the Wilmore United Methodist Church, will be directing the over-night youth camp again this year. An exciting program is being planned for the youth, seventh grade through high school. Enrollment applications are available through your church youth department.

Music Evangelist – Brian Lunetta is Director of Music at the Wilmore United Methodist Church. He comes to the camp with the ability to blend contemporary music with traditional hymns.

Youth Evangelist – Rev. Rick Durrance see below.

Children's Workers – Mark and Kathy Davila will again be heading the children's program. This is always an outstanding part of camp week.

Evening worship services will be held at 7:00 p.m. Sunday, June 20 through Friday, June 25. Morning Bible Study will be held at 10:30 a.m. Monday-Friday. You are encouraged to attend and receive a blessing from this year's Campmeeting.

Wilmore Campmeeting June 20-25, 2010

Youth Speaker: Rick Durrance is no stranger to Wilmore Campmeeting. He was the director of the Wilmore Campmeeting youth programs in the summers of 1994 and 1995. Rick was involved in youth ministry for 14 years. He spent 6 years in Wilmore as the youth pastor of Wilmore United Methodist Church from 1994- 2000. Rick received his bachelor's degree from Oral Roberts University in 1990.

In 1994 Rick received his Masters of Divinity from Asbury Seminary, and received his Doctorate of Ministry from Fuller Seminary in 2007. He then spent 4 years at Covenant Community UMC, Asheville, NC. Currently, Rick is Senior Pastor at Emmanuel Evangelical Free Church in Burbank, CA. Rick is married to Christy Durrance and is the father of 4 children: Katy, Will, David, and Jeffrey.
