

The Jessamine County Health Department would like to invite you to Do Something Super: Help the Jessamine County Health Department fight H1N1!

Please help us share important information about H1N1 prevention by posting one of the "Do Something Super" posters in your church or workplace. To do so, simply click on the link below, open the attached pdf. file and print on legal sized paper.

<http://www.redhatcreative.com/Poster-8.5X14-small.pdf>
<http://www.redhatcreative.com/Poster-8.5X14-small.pdf>

If your church or business would like to have a presentation on H1N1, please contact the health department's regional epidemiologist, Jennifer Methvin, to schedule one. Jennifer can be reached at JenniferN.Methvin@ky.gov.

For more information about H1N1 prevention and vaccination clinics, visit <http://www.jessaminecohealthdept.org> or call (859)885-4149.
